

Welcome to 7th Grade Civics with Mr. Bennett and Mrs. Ardis.

Wait.... Why TWO teachers?

Mr. Bennett is the Civics expert. He is the certified social studies teacher in the room. Mrs. Ardis is a certified reading specialist and will be providing reading strategies to help make your child as successful as possible with reading the Civics content.

This class will be co-taught, which means students will get the best possible learning experience. Mr. Bennett and Mrs. Ardis will work together to plan, teach, assess all students. We hope having two teachers will help your child to be very successful this year.

You may contact us by email if you have any questions or concerns. We will both be available at Open House to meet your family.
